SKILLS

Computer

Excel, Word, PowerPoint (also attended workshops in 2023 at Stellenbosch University)

Experience with Winfeed, XLSTAT, AMTS, RStudio, and MEGA

Interpersonal

By serving on the Student Representative Council and Boarding House Committee in High School, it has tremendously helped me in developing my interpersonal skills. With this experience, I had many responsibilities and it taught me how to work with different people. By being in a university residence for four years, I have had interactions with different types of personalities in many different environments as well as nationalities, leading to more flexibility and understanding.

Analytical

University has led to improved problem-solving and communication skills. I have learned to work under pressure, to study/work for long hours, and to reach deadlines set by myself and my superiors. I have learned that with hard work and commitment, anything is within my reach and I can achieve the goals I have set for myself.

INTERESTS

I love animals and have a very soft spot for them. Nature is my happy place, and I enjoy spending time outdoors doing things like hiking, camping, and playing sports such as netball and tennis. I also like jogging, swimming, and anything adventurous. I have been fortunate to travel around South Africa and neighbouring countries, and my dream is to continue exploring our beautiful country and hopefully other places in the future. Reading is another passion of mine, and I'm always up for trying new things that challenge and excite me. During my school years, I played netball and swam. At university, I played netball for my residence for three years and even umpired games. I believe in keeping a balanced lifestyle, working hard when needed, staying active by running and playing sports, and making time for myself, my friends, and my family. By nurturing my love for animals, nature, exploration, literature, and sports, I aim to create a life that is rich in fulfillment and contributes positively to the world around me.

Ek, die ondergetekende, verklaar hiermee dat Lisa sedert Januarie 2014 'n leerder aan die HTS Drostyd is. Sy is aan my goed bekend en ek getuig graag soos volg van haar:

Lisa is 'n vriendelike en besonder hulpvaardige leerder met 'n innemende geaardheid. Sy is onder alle omstandighede baie beleefd. Sy is onbesproke van karakter en handhaaf sterk en positiewe lewensbeginsels. Haar lewe openbaar 'n sterk geestelike getuigenis en sy streef hoë lewenswaardes na. Op grond van haar deurlopende betrokkenheid en uitsonderlike prestasies op akademiese, sport en kulturele gebied is sy vereer met Erekleure in 2018. Dit is die hoogste toekenning wat HTS Drostdy aan 'n leerder toeken – dit is 'n geweldige groot prestasie.

Sy is doelgerig en meelewend en stel die belange van die skool eerste. Sy beskik oor deursettingsvermoë, 'n gebalanseerde lewensuitkyk en 'n wye algemene kennis en belangstelling.
